- *2) Once paid, the mentioned above fees are non-refundable. Termly fees are fixed regardless of number of weeks, public and school holidays.
- *3) Please pay the termly fees regardless of closed days in the school calendar. Withdrawal notice are to be made 6 weeks in advance. We will remind parents on due payment of new term fees one month before the new term starts. In the event if there is no payment one month before new terms starts, we reserve the right to cancel the enrolment of the child for following term and will take it upon that the child will not be continuing the school calendar thereafter, and will offer the placement to another child in waiting.
- *4) If child's enrolment is in the middle of the term, the fee for the first term will be pro-rated according to the number of weeks remaining of that term. However, if child is absent from school for a long period of time, fees will be kept to the termly fees and there will be no pro-ration due to the reserved placement for the child.
- *5) GST (7%) will be added to the above amount. Prices are subject to change.
- *6) During admissions interview, parents would be advised on the suitability of child's potential enrolment. In the event that the centre is unable to cater to the child's needs due to unforeseen circumstances after formal enrolment, we reserve the right to notify the parent of the child's withdrawal by giving 2 months-notice or less, whichever that is applicable during the term. Fees for the remaining weeks of the term will be refunded to the parent within one month after child's last day in the centre. (Refund not applicable if child's last day happens to be last school day of the term)
